SUBJECT SPECIFIC SUPPLIES*Math*

1	flexible, clear ruler
1	geometry set
1	calculator - this is an absolute NECESSITY!!! <ul style="list-style-type: none"> • Most math students (-1 and -2) need a graphing calculator (TI-83 or better) • Only those students in the <u>-3</u> stream can get by with a regular scientific calculator

Computers

1	pair of head phones / earbuds
---	-------------------------------

Phys Ed

1	pair of indoor shoes
1	set of proper gym attire - shorts / shirt / sweatpants

OPTIONAL SUPPLIES

These are supplies that are not required, and some teachers have class supplies of these, but if students think they will use them often, they should purchase their own.

pencil crayons

markers

fine-tipped, black Sharpies

glue sticks

scissors

rulers

index/recipe cards for studying (these really are helpful!)
